

BROWN (4.13)

glasba in besedilo: Klemen Teran Primož kosec

And the night was coming again
Full of alcohol in my brain
there were problems with a law
There were things I didn't saw

My eyes were blind
Full od coke in my mind
Must shoot everybody with the gun
And than run run run

I just want to be happy
I just want to be free
I just want that nobody
Hurting me
