Zmija velikanka sada u vašem gradu  
Sutra u Belgradu,  
Velika atrakcija duga 3.metara

I kill you, You kill me  
We kill our self to be free  
I fuck you, You fuck me  
We fuck our self to be free

I kill every one who can do my street  
We didn't say anything didn't want to meat  
A few years later they killed me  
it was no time to see

I drive you you drive me  
We drive our self to be free.  
I fuck you, You fuck me  
We fuck our self to be free

We kill each other like maniak.  
The Police let us go free,  
Because we are cyrus that's wana to be.

Kolo sreće se okreće. It's the first world war  
The agresors are Bill Clinton and Slobovan Milošević  
Zgradićemo fabrike, zgradićemo škole ali ima jedan problem  
Nema para nema pameti.

I kill you, You kill me  
We kill our self to be free  
I fuck you, You fuck me  
We fuck our self to be free  
I might bullet in your head  
I'm make you happy every night  
You make me mad  
I drive you, you drive me  
We drive our self to be free.
